## Hearts for A Mission

San Antonio Christian School student brings Easter love to families in transition

### Emergency/Transitional Shelter 411

#### Families in transition

Students from San Antonio Christian School delivered Easter baskets for children who are in transition. It was a love project for those in need at the Hope Center. Many who live in shelters may not have a place to call home but that didn't stop anyone from enjoying goodies and great fellowship. Ms. Morris, the Bible Teacher at San Antonio Christian School, who pioneered this event, stated the group of student's was so excited to be involved with this mission.

#### Easter egg hunt

Children who live at The Salvation Army Hope Center shelter and transitional programs hunted over 500 eggs Thursday March 20<sup>th</sup>. An Easter devotion, games and lots of snacks followed the fun filled hunt.

First Baptist of Universal City brought 18 volunteers and lots of sweet fun.

"I think everyone including our volunteers had a great time," said Reva Ricks, a volunteer of the Women and Children's council who hosts Bible study for shelter clients every Thursday.
