100 Local Airmen to Invade The Salvation Army

San Antonio, TX (October 23, 2009) This Saturday, October 24th, **100** Airmen from the Lackland AFB Security Tech School "Team 9" are volunteering their time and talent to work on various tasks at The Salvation Army's Hope Center.

Combining a bit of elbow grease and sweat from their brow, these local airmen will help with landscaping projects, rebuild the children's playground area, assemble Angel Tree tags for our Christmas Assistance program and will spruce up the red kettles used during our holiday fundraising campaign.

The Salvation Army San Antonio Area Command celebrates 120 years of hope in this community. Volunteers such as these are an integral part of our continued success as a proven provider for the last 12 decades.

About The Salvation Army

The Salvation Army, an evangelical part of the universal Christian church, has been supporting those in need in His name without discrimination since 1865. Nearly 33 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. About 83 cents of every dollar raised is used to support those services in nearly 9,000 communities nationwide. For more information, go to <http://www.salvationarmyusa.org>.
