About The Salvation Army

The Salvation Army, an evangelical part of the universal Christian church, has been supporting those in need in His name without discrimination since 1865. Nearly 33 million Americans receive assistance from The Salvation Army each year through the broadest array of social services that range from providing food for the hungry, relief for disaster victims, assistance for the disabled, outreach to the elderly and ill, clothing and shelter to the homeless and opportunities for underprivileged children. About 83 cents of every dollar raised is used to support those services in nearly 9,000 communities nationwide. For more information, go to <http://www.salvationarmyusa.org>.
